

IOWA PRISON INDUSTRIES ADVISORY BOARD MEETING

Meeting. The Iowa Prison Industries Advisory Board met June 18, 2015, telephonically. The Board reviewed proposed changes to Iowa Prison Industries ([IPI](#)) administrative rules, as required by Iowa Code section [904.804](#). The Board approved the proposed rules summarized as follows:

- Permits IPI to sell to a general contractor when the product purchased will be sold to a public entity as defined by law. Limits sales to contractors involved in construction, renovation, and remodeling projects. Sales to a general contractor are required to be approved by the IPI Advisory Board.
- Updates routine matters such as addresses, hours of operation, location of product catalogs, etc.
- Adopts by reference the provisions of the Department of Administrative Services ([DAS](#)) rules related to procurement of goods and services. Adopts appeal processes specific to IPI.
- Updates meeting notices to comply with Iowa Code chapter [21](#).
- Defines “wage range” for private sector employment projects that employ offenders.

More Information. See the *Fiscal Topic* [Iowa Prison Industries - Private Sector Employment Program](#) for information regarding the administration of that offender work program.
